Dear Jim,

On behalf of the Young Women's Leadership Academy Foundation (YWLA), founding sponsor of the Chattanooga Girls Leadership Academy (CGLA), we thank you for the silent auction donation of the Brent Sanders painting *BB King Club In NYC* to support the 7th Annual Odyssey Awards Luncheon. We were delighted to have over 750 guests in attendance; the luncheon was truly remarkable thanks to the leadership of you and Sandra, all of our sponsors and community supporters.

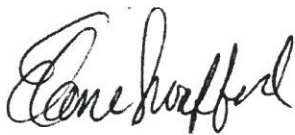

We are extremely proud of our Rising Star and Shining Star award recipients, the class of 2016, the CGLA choir, as well as the rest of the student body, and look forward to seeing these young women continue to progress and develop as leaders. Alma Powell's inspiring message set the tone for the focus of the luncheon, reminding us of the importance of community support in pushing the next generation forward.

Your generous contribution helps support several unique educational opportunities at CGLA, including a rigorous STEAM curriculum, tutoring, instructional materials, technology integration, expeditionary learning, college tours, and job shadowing.

Thank you for believing that every girl is worthy of the opportunities a first-class education will provide her. If you would like to learn more about the Chattanooga Girls Leadership Academy, please visit www.cglaonline.com or contact Bess Steverson (besssteverson@cglaonline.com or 423-468-4105) to schedule a tour.

We look forward to seeing you at the 8th Annual Odyssey Awards Luncheon in 2017!

Sincerely,

Dr. Elaine Swafford
